EASi ranks among Top 10 Engineering Services Outsourcing providers globally

Madison Heights, MI, USA – April 9, 2008 – EASi, a leading provider of integrated solutions for high value cost effective product engineering, was ranked among the 2007's Top 10 Engineering Services Outsourcing providers by The Black Book of Outsourcing.

The Black Book of Outsourcing is published by the Brown-Wilson Group, an outsourcing industry intelligence and data reporting firm serving outsourcing buyers, investors, venture capital firms, corporate decision makers, organizational influencers and analysts. The Black Book initiative sponsors the only annual, independent, non-biased ranking of 300 outsourcing advisors and 4,500 vendors as completely scored from over 20,000 outsourcing users' and clients' ballots. The ESO rankings are based on eighteen criteria of operational excellence and client satisfaction with outcomes.

“EASi is pleased to be included in this list of leading companies, and we believe that the ranking is indicative of EASi’s business objective to be the market leader and the leading source for high value global engineering services” said Prakash “Krish” Krishnaswamy, president of EASi.
